Dear Snra. Pérez,

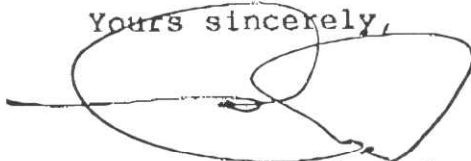

My very sincere congratulations on the publication of your new pocket guide, "Spanish Legal Property Information". I have read it from cover to cover and found it very easy to read and a perfect guide for the english speaking person living in Spain with property and investment interests.

Over the past 15 years we have spent an enjoyable and rewarding retirement in your exciting country, adapting to your lifestyle and doing our best to communicate in Spanish. However, we have recognised our limitations and accepted that in matters medical and legal we should stick to english where possible to avoid confusion and misunderstanding.

Your booklet has therefore come as a breath of fresh air for us, confirming our understanding of our present legal position in all the areas of our property and tax concerns.

Thank you and our best wishes for your continued success.

Yours sincerely,

A. C. STEWART.
